

Founded on December 16, 1996, the Sjögren's Syndrome Association supports patients and their families. It also educates the public and healthcare professionals about Sjögren's disease. Finally, it encourages medical research to improve its detection, treatment, and support for those affected.

Honor the memory of a loved one by supporting the Sjögren's Syndrome Association. All donations received are entirely dedicated to advancing research into Sjögren's disease.

I want to donate In Memoriam at l' Association du syndrome de Sjögren
